Version		Year 2024 -1st semester																			
Week	Date	Type of planning	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	UBT > 24 h	ROOM	Beam line	Beam	Energy (MeV)	Target	Spontaneous	Affiliation	Purpose of planning	TMX fund, eligible	Reference	To be confirmed
1	01/01/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	maintenance Tandem																		
2	08/01/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	maintenance Tandem																		
3	15/01/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	maintenance Tandem																		
4	22/01/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	maintenance Tandem																		
5	29/01/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	maintenance Tandem																		
6	05/02/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	maintenance Tandem																		
7	12/02/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	maintenance Tandem																		
8	19/02/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	maintenance Tandem																		
9	26/02/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	maintenance																		
10	04/03/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	biannual test for accelerators (SPF)																		
11	11/03/24	Experiment ALTO-HEB	N-01-118	N-01-114	N-01-114	N-01-114	N-01-114														
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO																			
12	18/03/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	stable test																		
13	25/03/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	commissioning SPACZ ALTO																		
14	01/04/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	commissioning SPACZ ALTO																		
15	08/04/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	commissioning SPACZ ALTO																		
16	15/04/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	commissioning SPACZ ALTO																		
17	22/04/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	commissioning SPACZ ALTO																		
18	29/04/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	commissioning SPACZ ALTO																		
19	06/05/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	commissioning SPACZ ALTO																		
20	13/05/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	commissioning SPACZ ALTO																		
21	20/05/24	Experiment ALTO-HEB	L-01-188																		
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	commissioning SPACZ ALTO																		
22	27/05/24	Experiment ALTO-HEB	L-01-188																		
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	G. Georgiev																		
23	03/06/24	Experiment ALTO-HEB	L-01-188	cancelled	cancelled	cancelled	cancelled														
		Experiment ALTO-LIB																			
		Industrial Irradiations																			
		Maintenance ALTO	Lanthanum Tandem																		
24	10/06/24	Experiment ALTO-HEB																			
		Experiment ALTO-LIB																			
		Industrial Irradiations
